

A Special Invitation for Net Impact Boston Members!

Join us on April 19th as we strive to connect and to grow Boston's CSR community! Net Impact Boston will host the premier networking event for corporate social responsibility (CSR) and sustainability professionals and we would like you to be a part of it!

As you know, our talented and diverse members are active leaders in the CSR community - creating new businesses, making connections, inspiring change, and working together to make a difference. This exciting event is designed to support these initiatives and will be held in a round-robin "speed networking" style. Participants will rotate in small groups through a cadre of special guests from the corporate and non-profit sectors. Don't miss this opportunity to meet many of your fellow Net Impact members and CSR leaders from Boston and beyond.

VIP guests include:
